## Ft. Worth Lands, Flight to Tokyo Ends in Alaska

**Pangborn-Herndon Globe Plane Near Coast of Siberia**

**Trailing Post and Gatty, But May Pick Up on Pacific Hop**

**LINDBERGH IS SAFE**

**Flying Colonel and Wife Greeted in Canadian North Woods**

FAIRBANKS, Alaska.—(P)—The monoplane Fort Worth, piloted by Reg L. Robbins and Harold S. Jones on a projected non-stop flight from Seattle, Wash., to Tokyo, Japan, landed here at 7:35 o'clock Monday morning. Bad weather stopped them. It was the second attempted non-stop flight to Japan.

**Believe Refueler Failed**

SEATTLE, Wash.—(P)—The belief that the refueling plane which was to have given the final load of gasoline to the Fort Worth over the Bering Sea must have come to grief was expressed here Monday by W. W. Conner, executive secretary of the National Aeronautical association upon hearing the news that the Fort Worth had landed at Fairbanks, abandoning its projected flight.

The Texans were to have filled their 550-gallon gas tank for the last time from a tri-motored refueling ship at Unalakleet, in the Alaskan islands, and then head out across the North Pacific coastline toward Kamchatka, Japan.

Their refueling ship was picked up Sunday at Fairbanks, Alaska, and 200 gallons was transferred to the trans-Pacific plane Fort Worth. The tri-motor, with another load in her 700-gallon tanks then followed the Fort Worth down the Yukon river to Unalakleet for the last "refueling" before Robbins and Jones jumped the Bering Sea.

The Fort Worth was 12 hours 50 minutes on the 1,500-mile lap from Seattle, Wash., to Fairbanks—about an hour longer than the pilots anticipated, owing to headwinds.

**Globe Trotters Continue**

TOKYO, Japan.—(P)—A Rengo dispatch to the Japanese capital Monday said that the American globe fliers Clyde Pangborn and Hugh Herndon, Jr., had arrived in Khabarovsk, Siberia, Monday afternoon.

The Tokyo fliers declared the weather over the Khingan mountain range was the worst they had ever experienced. An examination of their plane revealed that one wing had been damaged, but they were confident it could be repaired in time for them to get off early Tuesday morning in pursuit of Post and Gatty's record, which they trailed by 23 hours on their arrival here.

Post and Gatty mired down here and spent 28 1/2 hours. Pangborn and Herndon expect to cut down this lead by a shorter stay.

**Lindberghs Are Safe**

CHURCHILL, Manitoba.—(P)—Shrouded in the silence of the Canadian North Woods over the week-end, Col. and Mrs. Charles A. Lindbergh were found to have landed safely Sunday at Churchill Harbor after a flight of 751.5 miles from Moose Factory.

They made the trip in 8 hours 50 minutes, fast time considering the storm they had of ride through while above the Canadian wilderness. Churchill's population of 2,000 turned out to a man to witness their landing.

TOKYO, Japan.—(P)—The government of Japan has begun preparations to receive Col. and Mrs. Charles A. Lindbergh, now on a good will tour which is expected to lead them across the Pacific to the Orient by easy stages.

**Mrs. J. A. Cupp Dies, Buried Sunday, Texas**

Mrs. J. A. Cupp, 44, well known Hope resident, died at 2:30 o'clock Saturday afternoon at a local hospital. She is survived by her husband, one daughter, Maxine, and two sons John and Floyd.

The funeral service was held at Rock Springs cemetery in Queen City, Texas, at 3 o'clock Sunday afternoon, the Hope Furniture company having charge of arrangements.

## Follows News of Husband's Flight

While her husband winged his way over the world's aerial highways, Mrs. Hugh Herndon, Jr., closely followed the progress of the projected round-the-globe flight on which Herndon is co-pilot. She is seen here at the telephone in her home at Lauderdale, N. Y., as she received news that Herndon and his companion flier, Clyde Pangborn, had successfully reached Berlin.

## Newsboy in Role of Hero Sunday

**Lane Taylor Rescues Miss Louise Lewis at Collier's Lake**

Lane Taylor, route carrier for The Star, assumed a hero's role Sunday. He was credited with probably saving the life of Miss Louise Lewis, daughter of Mr. and Mrs. G. L. (Gib) Lewis, while swimming at Collier's Lake.

Miss Lewis called for help, and Lane rescued her. It occurred about 5 o'clock Sunday afternoon.

## Former Tennessee Governor Improved

**"Uncle Alf" Taylor Is Reported Better at the Hospital**

JOHNSON CITY, Tenn.—(P)—After lingering between life and death the past two days "Uncle Alf" Taylor, former governor of Tennessee, was reported "slightly improved" by hospital attendants Sunday.

Physicians and relatives, however, have abandoned all hopes for his recovery from an operation performed last Friday to relieve a kidney ailment.

The 82 year old "sage of Happy valley" one of the most colorful political figures in the South, spent a restless Saturday night. At times he regained consciousness and was able to recognize members of his family.

Sunday, hospital attendants said, he remained in a coma, but appeared to be "slightly stronger."

His wife, Mrs. Jennie Taylor, and their children, Mrs. Carter Williams, Mrs. Frank Graf, Nat. Blaine, Dave, Alf, Jr., Robert L., and Frank Taylor, have been by his bedside during his critical illness.

"Uncle Alf" who gained fame in the "war of roses" campaign with his brother, Robert, for the governorship in 1896, had made plans to celebrate his 83rd birthday next Thursday.

**New York Bank Merger Effective September 16**

NEW YORK.—(P)—Merger of the Continental Bank and Trust company of New York and the Straus National Bank and Trust company of New York, and the acquisition of the merged bank of International Trust company, will become effective September 16 next, an announcement Sunday said.

The consolidation is subject to ratification by stockholders of the three institutions.

## Day Surrenders in Sheriff's Killing! Now in State Pen

**Sam Day, 20, Persuaded to Give Up Without Bloodshed**

**C. M. CONWAY HELPS**

**Employer of Day's Sister, and Little River Sheriff, Given Credit**

TEXARKANA.—The search for the suspected slayer of Sheriff Walter Harris of Miller county ended Sunday morning when Sam Day, 20, surrendered near the home of his father, W. M. Day, and was taken to the state penitentiary, Little Rock, for safe-keeping.

His father and brother Herbert were released following his surrender. Credit for obtaining the prisoner was generally given to Sheriff J. G. Sanderson and Deputy Robert Pierce of Little River county, who had been a continuous man-hunt for the last 48 hours.

They obtained Day's surrender without bloodshed. Also instrumental in the case were Charles M. Conway, Texarkana capitalist, employer of Day's sister Annie May Day, who is a housekeeper at Hotel Grim, who worked with Miss Day in obtaining the brother's consent to return to Texarkana.

Mr. Conway, the boy's sister and Mr. Conway's secretary drove Day from Texarkana to the penitentiary at Little Rock, followed in another car by Sheriff Sanderson, Deputy Pierce, Prosecuting Attorney Millard Aford and Deputy Prosecutor H. M. Barney.

Providing he does not ask for a preliminary hearing, Day will be kept at the penitentiary until September 14, when the September term of Miller county convenes.

## Hoover Discusses Help For Jobless

**President Interrupts Camp Vacation to Confer With Secretary Doak**

LURAY, Va.—(P)—President Hoover interrupted the quiet of his week-end rest at his Rapidan camp Sunday to discuss unemployment relief with Secretary Doak.

The conference with the Labor secretary was similar to the president's recent discussion of the relief problem with John Barton Payne, chairman of the Red Cross.

The administration's program provides for a survey of probable winter needs, with direct relief to come from state and county agencies.

A report is expected to be submitted to the White House by Doak after conditions have been weighed. The road being built by the National Park Service into the proposed Shenandoah National Park area which will pass near the Rapidan camp was discussed today by the president with special luncheon guests, who included Thomas H. MacDonald, chief of the Bureau of Public Roads, H. K. Bishop, engineer of the Roads Bureau, S. H. Marsh, engineer for the Virginia State Conservation and Development Commission and G. Freeman Pollack, landowner in the vicinity of the president's camp, were other luncheon guests.

## Death Cause Withheld as Jury Plans Probe

CLEBURNE, Texas.—(P)—H. L. Bickell, justice of the peace, continued Sunday night to withhold his verdict as to the cause of the death of Arthur Neace, 23, whose badly burned body was found in a ditch alongside the Meridian highway near here Saturday.

Neace's body was found near a car which had been nearly destroyed by fire. Officers had not determined the cause of a well over Neace's temple. Officers said the grand jury would investigate Neace's death.

## MacDonald and Stimson Vacation in Scotland

LOSSIEMOUTH, England.—(P)—Prime Minister Ramsay MacDonald admitted Sunday night that Secretary of State Henry L. Stimson has invited him to spend two days with him "Somewhere in Scotland" and that he had accepted. The prime minister refused to reveal where the meeting would take place.

It is known that Secretary Stimson rented a house in the highlands for part of the grouse-shooting season, but the location of the house is not known.

It is understood the prime minister will join the secretary there Thursday, when it is expected they will resume discussion of international affairs.

## Bulletins

OTTAWA, Canada.—(P)—Col. Mrs. Charles A. Lindbergh hopped off from Churchill Harbor, province of Manitoba, at 1:45 p. m. E. S. T. for Baker Leg, the next leg on their flight to the Orient.

MOSCOW, Russia.—(P)—Amy Johnson, British flier, made a brief stop at Chita, Siberia, Monday, and continued on her flight from London to Tokyo.

ROGERS, Ark.—(P)—Two youth held up the night clerk of the Lane Hotel here early Monday and escaped with \$120 from the cash-drawer. The robbers covered the clerk with a gun and forced the bell-boys to lie on the floor.

## Stamps Woman Is Hurt in Accident

**Mrs. C. L. Lake Injures Arm When Car Overturns Near Hope**

Mrs. C. L. Lake of Stamps was painfully hurt Sunday when the Plymouth coupe in which she and her husband were driving to the Highland peach orchards turned over on the Washington highway four miles north of Hope.

Mrs. Lake was brought to Josephine hospital, where one arm was found to be badly injured. Mr. Lake was not hurt except for severe shock, and was able to return home Sunday night, his wife remaining in the local hospital where she will be confined for several days.

Mr. Lake lost control of the car in loose gravel, it was believed. They were brought in to Hope by Circuit Clerk Willie Harris, and Mrs. Harris, who were driving here from Washington.

## Perry Will Start For Prison Monday

**Convicted Slayer to Be Locked to Sheriff and Heavily Guarded**

EAGLE RIVER, Wis.—George W. E. Perry Milwaukee brakeman, who took without divorce from any was taken to the Waupun penitentiary early Monday to begin serving a life sentence for the murder of Mrs. Corabelle Hackett of Chicago, third of his bigamous wives, during their honeymoon here July 6, 1930. The sentence was imposed by Circuit Judge C. M. Davidson yesterday after a jury found Perry guilty of first degree murder.

Perry was to make the 200-mile journey from the Vilas county jail handcuffed to Sheriff Thomas M. Gregor and guarded by two deputy sheriffs. The prisoner was not moved Sunday because he pleaded illness, following his collapse during cross-examination by Special Prosecutor A. J. Omelia, when Perry maintained his innocence against a mass of circumstantial evidence.

## Alien Squad Hopes To Solve Murder

**Threat of Deportation May Aid Probe of New York Baby's Death**

NEW YORK.—(P)—Upon the recently organized Criminal Alien Squad, police are pinning most of their hopes of running down the gunmen who killed five year old Michael Vengalli and wounded four other children in Harlem's "Little Italy" last week.

Officials declined to discuss this angle of the search, but it was inferred that Sicilian residents of the section, who may have entered the country illegally, will be forced under threat of deportation to tell what they know.

## Funeral Rites Held for Texas A-M Prof.

COLLEGE STATION, Texas.—(P)—Funeral services for Robert Franklin Smith, professor of mathematics at Texas A. and M. who died suddenly Sunday, were held at the family residence here Sunday.

Educators from all sections of the state came to honor the memory of Professor Smith, member of A. and M.'s faculty for nearly a half century.

Among those who gathered here for his funeral were 15 or more members of the Sam Houston State Teachers College at Huntsville from which Professor Smith graduated when the school was known as the Sam Houston Normal.

Burial was in Bryan cemetery.

## Canadian Canal Is Blocked by Wreck; Toll of 15 Lives

**Ship Breaks Through Lock—Wall of Water Sweeps Down**

**MANY MEN DROWN**

**Unemployed, Sitting on Canal Wall, Buried Beneath Tidal Wave**

MONTREAL, Quebec.—(P)—All shipping and passenger traffic through the LeClerc Canal at a standstill Monday and a search was under way for the bodies of 15 men believed drowned after the steamship Rapids Prince crashed into the canal locks Sunday.

The accident, which temporarily cripples one of Canada's main inland waterways, occurred just as 40 men, mostly unemployed drifters, were sitting on the canal wall, some washing and some eating.

Suddenly the ship crashed into the locks and a torrent of water which rose six feet above the embankment bore down on the scattered groups of men.

Witnesses said all were rescued but 15.

## Edison Improved, Physicians Report

**Famous Inventor Once More Takes Interest in World About Him**

WEST ORANGE, N. J.—Dr. Thomas Alva Edison, world-famous inventor who was stricken gravely ill at his home here last week, began to show interest in world affairs Monday morning.

His physicians said he awoke in excellent spirits and seemed to be improving. He asked to see the newspapers, for the first time in several days.

Physicians said when he was first stricken they were afraid his recovery would never be complete, but he was much improved Monday.

## Cotton Declines 3-4 Cent a Pound

**Average Price Middling July 31 Was 7.63, U. S. Reports**

MEMPHIS.—U. S. Department Agriculture.—The cotton market during the period July 25th-31st witnessed a declining tendency, and on July 31st quotations were about 3-4c lower than those July 24th.

Demand both domestic and foreign was said to have been rather indifferent for both prompt shipments as well as for early and late new crop deliveries. Cottons mostly inquired for were in the lengths 7-8 inch to 1-32 (seven-eighths to one and one thirty second inches) inclusive and for no grades in particular.

Average price Middling ten markets July 31st 7.63c compared 8.34c July 24th and 12.01c on the corresponding day last season. Reported sales of spots in the ten markets were light amounting to 8991 bales for the week compared with 17,404 bales for the corresponding week last season.

Trade interests are closely watching the progress of the new crop. According to the Weather Bureau for the week ending July 28th in the Cotton Belt moderate temperatures were the rule, and there was considerable rain in the Central and Eastern portions.

In general, the weather was favorable, though rain was rather too frequent in some Mississippi Valley sections, and more moisture would be helpful in the Northwestern portion of the Belt.

According to the New York Cotton Exchange Service world consumption of American cotton for the eleven months this season amounted to 10.2 million bales compared with 12.1 last season and 14.0 the season before.

Consumption of American cotton in Great Britain for the same eleven months this season amounted to 881,600 bales compared with 1.3 million bales last season and 1.8 the season before.

According to the same source forwardings to mills of the world of American cotton to July 24th amounted to 11.0 million bales compared with 12.8 and 15.1 for the two seasons previous respectively. Estimated cotton production in specific countries including China for the season 1930-31 amounted to 25.5 million bales compared with 26.3 in 1929-30 and 24.4 in 1928-29, which is the record season so far.

## Adding Machine and Cash Taken on Sunday Night

**Tax Per Barrel on Oil Now Proposed**

**Gov. Sterling Believes He Has Improved on "Alfalfa Bill"**

AUSTIN, Texas.—(P)—Governor Sterling submitted a message to the Texas legislature Monday recommending a 2-cent tax per barrel on crude oil production.

The present Texas law levies a tax on the value of the well.

Murray Marks Times

OKLAHOMA CITY, Okla.—(P)—Oklahoma oil men waited over the week-end for the next move by Gov. W. H. (Alfalfa Bill) Murray in his fight to bolster declining school revenues which have been affected by the record low prices of oil.

The governor did not put his ultimatum of "a dollar a barrel or no oil" into effect Saturday night, but oil men thought enough of his ultimatum to open up every available well full blast to get as much crude as possible before the state launched its military and court action against petroleum operators.

Governor Murray's contention is that the public school system of Oklahoma is being hurt because the tax percentage on oil is based on value rather than gross barrels—and while production is tremendous, the value has shrunk to a record low figure.

## Youth Killed In Truck Collision

**Clyde Rowland of Camden Injured Fatally in Accident Near Crosett**

CAMDEN.—Clyde Rowland, aged 23, of Camden, was killed almost instantly Saturday night when a gravel truck on which he was riding near Crosett collided with a gasoline truck driven by Gary Clark of Strong. The accident occurred about six miles from Crosett.

Rowland was employed on Highway No. 2, under construction near Crosett. Clark, driver of the gasoline truck, assisted in bringing Rowland to Crosett, but the youth died before reaching the hospital here.

He is survived by his mother, Mrs. A. E. Cruse of Camden; one sister, Mrs. Edna Wright, and a half-brother, Merl Cruse, also of Camden.

## Seek Death Cause for Man Found in Street

HOUSTON.—(P)—An autopsy will be performed in an effort to determine the cause of death of an aged man found lying beside Main street just outside the city limits Sunday.

A large bruise across the back and a possible fracture of the skull indicated he had been struck by an automobile and had crawled 30 feet off the road to die, officers said.

A poll tax record, which gave hope some excellent publicity last week in a radio program broadcast from Shreveport. The dance will begin at 10 o'clock Tuesday night—and ice-cold watermelon will be served to guests during intermission.

## Record Attendance Expected For Dance

Indications are for a record-breaking crowd at the Elks Club Watermelon Dance Tuesday night at the lodge hall, officials announced Monday. Featuring the dance will be Eddie and Sugar Lou's orchestra, which gave hope some excellent publicity last week in a radio program broadcast from Shreveport.

Dr. Branson is convinced the skulls antedate the modern American Indian. The excavations will be continued with funds from the state historical society and private individuals.

## Alarm Spread in Neighbor Counties By Sheriff Wilson

**Court Building at Washington Found Robbed Monday**

**SAFE FOILS ATTEMPT**

**County Clerk Anderson Robbed of \$16,000—Wilson Saves \$500**

The Hempstead county court building at Washington was entered and sacked by robbers Sunday night. Monday morning Sheriff Wilson telephoned The Star.

A systematic search of the building was made by the sheriff and his men.

An adding machine was found in the office of Miss Lillie M. Anderson, county treasurer, and \$16,000 in change was taken from County Clerk Anderson's office.

The sheriff said the robbers entered the building through the back door. There was \$50 in the safe, but the sheriff added, "I took it to the bright and early Monday morning."

It was apparently a "depression robbery," no powder or other high-powered equipment having been used. The robbers revealed a rather crude vanishing act. Sheriff Wilson said he had spread the alarm, but believed the robbers might still be in this county.

## Juniors Leave For Ft. Smith Tuesday

**Division Winners Hope to Capture the State Championship**

Fifteen members of the Hope Junior League Baseball squad, champions of the south state division, will leave for Fort Smith Tuesday morning to enter the finals for the state championship.

A victory there will send them to the four-state series at Little Rock in the middle of the month. The winners, which will go to Colorado Springs for the semi-finals for the United States. The little world series will then be played at Houston—the winning team to attend the big World Series games as the guests of major league ball players.

## Unemployment Is Dodged By Roads

**Rail Companies Wish to Deal Separately Instead of as Unit**

WASHINGTON.—(P)—The Evening Star said Monday that the railroad have refused a request by the Brotherhoods for a general conference to discuss unemployment among rail.

The Brotherhoods, the newspapers declared, made a sharp reply last week rejecting as "impracticable" the counter-proposal of the railroad companies that the question be taken up by individual lines.

## Dixie Governor to Head Party to Army Grid Game

BATON ROUGE, La.—(P)—Governor Huey P. Long is recruiting a host of 1,500 Louisianians for an attack on the U. S. Army.

The governor has revealed plans for leading eight special trains and taking them to West Point November 1 when Louisiana State university alumni meets the army.

The entire university B. O. T. C. and two cadet bands will go along and parade at Little Rock, Ark., St. Louis, Mo., Cleveland, O., Kansas Falls, N. Y., and New York City.

"And of course," says the governor, "we'll spend one afternoon beating the army playing football."

The program calls for millions of 100 or 200 at a cost of \$25 each, pay of soldiers.

# SOCIETY

Mrs. Sid Henry Telephone 321

Such a time as there is in our garden Every morning at peep o'clock; With twittering things to say. The first drowsy voice is red robin's. Broadcasting his "Daylight has come!" When the whole wild bird orchestra quickly Tuned up and commences to hum. Right boldly a woodpecker drummer, Tap-taps for his sleepy-head mate. Then takes up his flute with a flourish, And plays at a rollicking rate. Little ren and the gray-coated cat bird Warble their carols of praise, While from tip-top of a pine tree, Brown thrush fills the dawn with his lays. 'Tis the call for one wild jubilation, A spirit of song fills the earth; Up to the peaks of the morning, Creation gives thanks for its birth. —Selected.

## Lindberghs' Slim Flying Wardrobe Gives Anne Few Frills For Orient

WASHINGTON.—(AP)—In the same small silken cap, Mrs. Charles A. Lindbergh will appear for all her fashionable calls in oriental cities this summer.

To keep a very light wardrobe in repair she has been allotted but one spool of thread, one needle.

So goes the chat among those who know the Lindberghs. The rule of trimming down to absolute essentials is said to have been laid by that expert organizer of the overseas air trip, Colonel Lindbergh himself.

The load carried must be useful, he knows, for the route he has selected is more than 7,000 miles long, and some of it may call for all engine and plane can deliver.

To the air wardrobe he applies his title of "Slim." Even the small silken cap may have been a concession to woman ways.

He often appears bareheaded for his calls on dignitaries.

Colonel and Mrs. Lindbergh will thus establish a costume record unique among young couple going good-willing about the world.

Through Prince and Princess Takamatsu of Japan, east graciously greeted west with the most elaborate of Parisian wardrobes.

The princess wore a different hat, a different gown every time she appeared. The hats were filmy picture things, gossamer frames for a face pretty and smiling.

Through Anne Lindbergh, west will greet east with a smile just as winning and warming—and the saucy little cap above the smile will be of silk, the material of which ever has been particular pride of the orient.

**Drivers of sixes never want less**

*because it takes six cylinders to give the smooth, silent power that makes driving really enjoyable*

**CHEVROLET** Drivers of sixes are spoiled for anything less. Drivers of sixes are sold on multiple cylinders. They would no more think of giving up "six" performance than any other real advancement of motoring. For them, the whole cylinder question has been settled.

Slip behind the wheel of a Chevrolet Six, and you'll know why these drivers feel as they do. Step on the starter, let the motor idle—and notice its silence. Throw in the clutch, shift into "low"—and feel that smoothness. Change into "second," hit a faster and faster clip, slip into "high," sweep along at top speed—then throttle down to barely a crawl. The smoothness and flexibility you always get are six-cylinder smoothness, six-cylinder flexibility. Annoying vibration is gone!

Over two million owners have tested and proved this six-cylinder Chevrolet engine. They have found that it costs less for gas and oil than any other. They have found that it actually reduces upkeep costs, by holding vibration to a minimum. They know a six is better in every way—and they would never be satisfied with less!

Twenty beautiful models, at prices ranging from \$475 to \$675

Miss Bennett at Saenger Seen in 'Common Law'

The entire personnel of the Malco-DeLoach organization is presenting another specially endorsed photoplay at the Malco-Saenger theatre, where Miss Bennett opens Tuesday in the latest play, "Common Law," and

it is reported that this latest effort of Miss Bennett's outshines her role in "Common Law," "Born to Love," "Rich People," and many other stellar productions that she has lately made. In support of the star is a fine cast, including Joel McCrea, Lew Cody, Hedda Hopper, Marion Shilling and Robert Williams.

"Common Law" was one of the most discussed plays ever to hit Broadway, and as a picture it is said to out equal the stage presentation in many ways. The short subjects that go with this program are hand picked and consist of a Cartoon Comedy and a Two-Reel Following showing of "Common Law" Richard Dix will be seen in "Donovan's Kid" with Jackie Cooper, the star of "Skippy." This is a very good picture and one that is personally endorsed.

## Cards Beat Cubs; Now 8 1/2 Ahead

Derringer Outpitches Charley Root Before Record Chicago Crowd

The St. Louis Cardinals slugged hard behind Paul Derringer's superb pitching Sunday to defeat the Chicago Cubs on their home grounds 6 to 2, while 42,000 fans looked on.

Charley Root, in the box for Chicago, was touched for 11 safeties, while Derringer yielded 10, but the St. Louis hurler kept his scattered. The victory put St. Louis eight and a half games ahead of the Cubs.

The New York Giants won a double-header from the Boston Braves, 4-2, and 6-2. Pittsburgh defeated Cincinnati, 3 to 0, and Brooklyn divided two games with the Phillies, losing the first 5-2, but capturing the nightcap 7-5.

The Philadelphia Athletics dropped their second straight game at Washington, the Senators taking a batting spree to win 10 to 6. McDonald and Jones were both knocked out of the box in the first inning, Hoyt replacing McDonald for the Athletics, and Alvin Crowder taking up the pitching burden for the Senators. Rommel eventually finished the game for the Athletics. The game was played at Washington. The teams moved to Philadelphia Monday for a double-header. The Athletics have won eight of the fifteen games with Washington this season.

Detroit beat the Chicago White Sox, 8 to 4. The New York Yankees entertained a crowd of 40,000 at Boston by breaking even with the Red Sox, winning the first game 4 to 1, and losing the final, 1 to 0. Wilcox Moore, Boston pitcher formerly of New York, got revenge on his old teammates by shutting the mout with three hits. Cleveland won a double-header from St. Louis, 9-4 and 11-9, and strengthened its hold on fourth place. Wesley Ferrell won his 15th game in the opener, letting the Browns down with seven hits, and aiding his batters by knocking out a home run.

## Piles All Gone

Without Salves or Cutting  
 Itching, bleeding, protruding piles go quickly and don't come back, if you remove the cause. Bad blood circulation in the hemorrhoidal veins causes piles by making the affected parts weak, flabby, almost dead. Salves and cutting fail because only an internal medicine can actually correct these conditions. Dr. J. S. Leonhardt discovered a real internal Pile remedy. After prescribing it for 1,000 patients with success in 999 cases, he named it HEM-ROID. Ward & Son say one bottle of HEM-ROID cures piles and your pile misery or money back. Adv.
